Why SewerVision needs data

SewerVision processes your personal data in order to be able to contact you by telephone on your request and/or to contact you in writing (by e-mail and/or by post) if you cannot be reached by telephone. In addition, SewerVision may use your personal information in connection with the completion of a contract with you, usually consisting of legal services.

How long does SewerVision store data

SewerVision will not retain your personal information for longer than is strictly necessary to fulfil the purposes for which your information is collected. Your data will not be stored for longer than one year if no agreement is concluded with you.

Sharing with others

SewerVision will only disclose your personal information to third parties if this is necessary for the performance of an agreement with you, or in order to comply with a legal obligation.

Mapping of website visit

On the SewerVision website, general visitor information is tracked, including your computer's IP address, time of retrieval, and data sent by your browser. This data is used for analyses of visit and click behaviour on the website. SewerVision uses this information to improve the operation of the website. These data will be anonymised as much as possible and will not be provided to third parties.

Google Analytics

SewerVision uses Google Analytics to track how users use the website and how effective SewerVision's AdWords ads are at Google's search result pages. The information obtained in this way, including the address of your computer (IP address), will be transmitted to and stored by Google on servers in the United States. Please read Google's privacy policy for more information. You will also find the privacy policy of Google Analytics here. Google will use this information for the purpose of evaluating the use of our website, compiling reports on the website for SewerVision and providing its advertisers with information about the effectiveness of their campaigns. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. SewerVision has no influence on this. SewerVision has not authorized Google to use Analytics information obtained from SewerVision for any other Google service.

Viewing, modifying or deleting data

You have the right to access, correct or delete your personal data. You can send a request for viewing, correction or deletion to info@sewervision.com. SewerVision will respond to your request as soon as possible, but within four weeks.

Security

SewerVision takes the protection of your information seriously and takes appropriate measures to prevent misuse, loss, unauthorized access, unauthorized disclosure, and unauthorized alteration. The SewerVision website uses a reliable SSL Certificate to ensure that your personal data does not fall into the wrong hands. If you feel that your information is not secure or there are indications of misuse, or if you require more information about the security of personal information collected by SewerVision, please contact SewerVision at www.sewervision.com is the SewerVision website.
